

REMARKS

Applicant thanks the Examiner for holding a telephone interview with applicant's attorney on February 20, 2008. During the telephone interview, the Examiner explained to applicant's attorney that the identity of a co-pending application cited in a provisional obviousness-type double patenting rejection was inadvertently left out from the Action dated December 31, 2007. The Examiner subsequently issued a Supplemental Office Action on March 3, 2008, identifying the co-pending application.

Claim 2 stands rejected under 35 USC 102(b) as being anticipated by Bolen. Since claim 2 has been canceled, this rejection is now moot.

Claims 1 and 2 stand provisionally rejected for obviousness-type double patenting over claim 8 of co-pending Application No. 10/670,770. Applicant herewith submits a terminal disclaimer to overcome this rejection.

Since there is no other remaining rejection in this application, claim 1 is allowable. Accordingly, applicant respectfully requests the Examiner to pass this application to issue.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **Docket No. 371312002300**.

Dated: March 17, 2008
